FREQUENTLY ASKED QUESTIONS

Are the procedures for opening accounts at Turkish banks different for corporate and personal accounts?

Yes; the procedures are different for UK companies, partners and directors of private limited UK Companies and for personal accounts for individuals. The procedure for personal accounts for non-Turkish national real persons outside the UK will be added to the TBCCI website shortly

Is there any requirement to submit documents as proof of paying tax in the UK?

No. The only tax related documentary requirement is the Turkish 'Tax identification number' (Vergi Kimlik Numarası), a simple and straightforward document that can be obtained from the local tax office in Turkey upon submission of passport and a copy of relevant pages of the passport.

Can one use internet banking with their accounts in Turkish banks?

Yes. You can use internet banking by registering a mobile phone to your Turkish account.

Can a non-Turkish person residing outside Turkey open a bank account in Turkey in Turkish currency?

Yes.

Is there a minimum age requirement?

Yes. 18 years

Can one trade with Turkey without having to open an account in a Turkish Bank in Turkey?

Yes. Monetary transactions can be made through UK branches of Turkish banks.
