### The Application Procedure

The application will be taken as the confirmation by the applicant of the acceptance of the aims of the YEPP below and maintaining high standards of conduct, ethics and professionalism. The application authorises the YEPP Board to conduct necessary enquiries to be made in connection with this application. The YEPP Board has sole discretion over the admission of members.

Two references are required either from YEPP or TBCCI members, or if you do not know any YEPP or TBCCI members, from two companies/institutions that you have worked at or were associated with.

Annual Membership Fee: £72 inc. Vat

**Young Entrepreneurs and Professionals Platform (YEPP)** is a TBCCI initiative set up to bring young Turkish and British entrepreneurs and professionals to the forefront of economic and social development. YEPP will aim to provide its members a platform of networking and information sharing. YEPP will seek to provide opportunities to further the professional and entrepreneurial development of its members, to develop its members' awareness of working in relation to self-employment, small business creation, and working within the corporate environment, to enable its members to experience real life business settings and to assist its members to participate in the setting up and running of a real business.
