## THE TBCCI BRINGS **UK-TR FREE TRADE AGREEMENT**

Will a Free Trade Agreement (FTA), signed and effective from 1<sup>st</sup> January 2021, further strengthen the UK Turkey economic relations and create a new modern climate for success? Are there any hurdles to overcome?

This event will be a unique occasion to hear from expert speakers leading the agenda to the inception of a new defining moment of economic relations between the two countries.

You will hear discussions on the new bilateral opportunities in trade and investment arising from the UK Turkey FTA, the new trade procedures and sector specific observations.

The participants will gain insight into the role of trade associations and businesses for facilitating trade and investment in the FTA setting.
